

Slide-Fix™ Slide Jars

Slide-Fix™ Slide Jars

Fix, protect, and transport your slides all in one. The Slide-Fix™ Slide Jars are available empty or prefilled with 95% ethyl alcohol.

- 30 mL volume
- Accommodate and protect up to 4 slides
- Material is a strong and nearly transparent Polypropylene Co-Polymer
- Caps are available in eight colors to color-code samples or match company branding
- Chocolate colored jar and cap combo is available for light-sensitive applications

Prefilled Slide-Fix™ Slide Jars are useful for a variety of applications, including the preservation and transport of:

- Pap smear slides
- Post-surgical tissues
- Fine needle aspiration (FNA) biopsies

Sterile versions may be used for immunofluorescence microscopy and In-Situ hybridization.

Material: Polypropylene Co-Polymer
Sterile version is gamma sterilized
